INSTITUTIONS SANCTIONED FOR INFRINGEMENT OF GOVERNANCE STANDARDS

Reports of an Association investigation at the institutions listed below have revealed serious infringements of generally accepted standards of college and university government endorsed by this Association, as set forth in the *Statement on Government of Colleges and Universities* and derivative governance documents. Institutions are placed on or removed from this sanction list by vote of the Association's annual meeting.

Lindenwood University (Missouri) (<i>Academe</i> , May–June 1994, 60–69)	1994
Elmira College (New York) (<i>Academe</i> , September–October 1993, 42–52)	1995
Miami–Dade College (Florida) (<i>Academe</i> , May–June 2000, 73–88)	2000

The publication of these sanctions is for the purpose of informing Association members, the profession at large, and the public that unsatisfactory conditions of academic government exist at the institutions in question.

The sanctioned institutions and the date of sanctioning are listed, along with the citation of the report that formed the basis for the sanction.
